Richard Nicol's 30 Mauser is a self designed shortened less tapered 30-06 case about the same length as an 8 mm Mauser, all designed by Richard.  
 Mark Dumont's 30 ARX is formed from a necked up 6.5 Grendel case. Here is some info if you are interested: [http://www.6mmar.com/30\\_ARX.php](http://www.6mmar.com/30_ARX.php)
