

# BR50 at Mission & District Rod & Gun Club. May 2, 2015 (by Jim Latham)

With 14 shooters (some were preparing for a BRSC center fire Group match the next day) we had another solid turnout and a very nice day, if challenging, because it was generally agreed that the winds were the most challenging and diabolical we have ever seen. On more than one occasion my flags and Art Harder's, only two benches apart, were aimed in completely different directions. Changes in both velocity and direction occurred all morning and gave everyone fits. There were more than a few Zeros, and for most of our gang those are rare indeed. It was very much a "Both eyes open at all times", day.

That is for everyone except our major guru, mentor and organizer, Bob Goehring and for Art Harder who came second to Bob. Both managed to score an average over 2000, which is typical for Bob but the first time Art has scored such a high average. (Art had quite a weekend winning the Grand Ag in the BRSC Group shoot the next day against some of Canada's best!!) We all know Bob shoots lights out all the time and Art is always right near the top, but I wonder if the choke on the Anschutz barrel made a bit of difference. Actually I am looking for an excuse for the rest of us....

Our usual cadre of helpers on the range ( Bob Lejeune, Dave Harris, in particular) and scoring ( Bob Goehring, Mel McIntosh, Man Kay Koon, Art Harder, Gord Park) and the entire second relay for cleanup (Tim Peters, Gord Dale, Ray Parking, Ray Drope, Pete Perchison and Dave Harris (also Drill Sergeant) got us completed before noon once again. And thanks to Mark Dumont for creating a macro for me, which I think I have messed up!

**Some of us are planning to shoot BR 100 at the rifle range Sunday May 10<sup>th</sup>, (that is Mother's Day) meeting at 8:00 AM, in conjunction with the Silhouette Shooters. Our past experience shows that we can complete this match by 9:30 (so you can still take her out to lunch!!) and it is a real challenge especially if the winds are up. If you are interested, please connect with Mel McIntosh-[melmclintosh@shaw.ca](mailto:melmclintosh@shaw.ca), (604) 309-3949.**

**Our next BR50 Match is Saturday May 30<sup>th</sup>. Hope to see you then.**
