

MDRGC Centre Fire Results. February 2016 Monthly Match (by Mark Dumont and others)

Driving east up the freeway to Mission before the match, I was treated to a beautiful sunset show that lasted for the entire drive. Impressive range of colours as well as fascinating clouds around Mount Baker. I was reminded that like sailors, the red sky did not bode well for the conditions, but at the range things seemed relatively calm except for the occasional burst of hail. On the other hand, "relatively calm" at Mission can still be a challenge, especially at 200 meters! But the day stayed benign so the opportunity was there for some very good scores, which occurred.

We enjoyed the largest turnout to date for a monthly match, with 18 shooters, 11 with custom guns and 7 factory sporters. Congratulations to Sam Parrotta, who took top honours in custom, followed by Bob Hampton, our occasional visitor from Salmon Arm. Wally McDonald took third in a tiebreaker with Paul Koivukoski (who also won the 200 meter segment). In Factory/sporter, Art Harder and his Sako PPC took the win followed by Ray Parkin and new comer Dave Davison.

Thanks to the usual "match runners" – Joe Mendham, Art Harder, Frank and Sonya Oblak, Sue Parrotta and all the others who pitched in to help. Target setting master Frank has made a couple of very smart suggestions- setting the first of the 200 meter targets at the same time as the last of the 100's and entering scores into the computer as we go, since with two relays we have time; we are not always shooting.

Jim Latham and Bob Goehring were both on the sick list, and we hope to see them both back **for our next match March 6th**
