There were some real three way horse races in Varmint Hunter and Varmint for Score/Open Classes with the outcome contested right down to the last target.

Three new Club range records were set. 14 year old Donovan Jack shot the first 50 score target in competition in Varmint Hunter Class with an unfamiliar rifle.

Also in Varmint Hunter Class Jacques Choquette set a new aggregate score of 237/250 beating the previous record by 14 points.

In Varmint for Score/Open class Matt Cyr made no mistakes and shot clean with 250 points out of a possible 250 points.

Good shooting! Thanks to the shooters and volunteers who helped make it a memorable day.
