

Mission & District Rod & Gun Club BR 50 Match: Saturday, September 26, 2015 (by Jim Latham)

Another great match finished off the beginning of the fall season. I believe this was our highest turnout to date. Both the shooting and the Camaraderie get better the more that attend. We still have room for a few folks to fill both relays. Mentor Bob Goehring's commitment to BR50 and his personal touch (he phones us all to see if we will make it) plus the immediate assistance from everyone to clean the range, set the frames, set and remove targets, organize, score and tally makes for an amazingly efficient and supportive process each match. This group has to be among the most inexpensive ways to have a great time at MDRGC. We are delighted that Derrek Peters has rejoined the group. He says he missed us, but we surely missed him. And again this month we had a newcomer in Curt Evans who showed a great attitude that will ensure his scores improve once he gets the hang of this precise discipline. As far as the shooting itself was concerned (we are actually there to shoot some of the time, not just BS) there were not a lot of surprises. In the Sporter Class Nev Beddome squeaked first over Ray Parkin who was ahead of Bob Lejeune. In the Benchrest Class Bob Goehring had two best targets with Gord Park and Dave Harris getting one each. Overall Bob took top honours once again, Dave Harris was second and Paul Koivukoski wound up third. Many scores were close and just about everyone had at least one very decent target, taking into consideration the incredible variety of equipment which ranges from less than \$700 packages to \$5000 . The trick is to maximize what you and your package can do. Next match is Saturday October 24th. If you know someone who would like to try BR 50 contact Bob Goehring at 604-926-3177. Full information is one the MDRGC website at <http://www.missionrodandgun.com/rifle/22benchrest>
