

MDRGC March Madness VFS Match: March 5, 2016 (by Mark DuMont)

It was a dark and stormy morning... When I got up, the weather (the first thing to check on match day) said the winds were blowing at 40km. Interesting times about to begin.....I resisted the urge to roll over and sleep this one out.

There was a light turnout of 10 shooters, so only one relay was required, shortening our shooting day (and providing more time for storytelling and excuses) . We were entering data as fast as Art could score the targets, and the data processing department had determined the ranking at the end of each target. Into the last target, Dave Holbrook, Joe Mendham and Mark DuMont were tied for score, and the conditions were definitely interesting at 200 meters. Dave and Joe tied on score, with Mark collapsing into third place. Joe won on the first target tie breaker to win the match.

Bob Hampton managed to take advantage of a lull in calving season to visit from Clinton. Bob missed the first 2 targets due to gun problems, but would have definitely been in the running, particularly with his outstanding 103 target at 200 meters.

Art Harder was both first and last in a class of 1 shooting sporter, since Ray Parkin graduated to the ranks of "serious" Benchresters shooting his new 30BR.

All in all, a leisurely (if hotly contested) match due to the smaller turnout. Spring is on its way, and we hope to see a bunch more of the less hardy souls for the **next match on April 3rd. BTW that match will be a Group Match to give us practice prior to the Second Annual BRSC Sanctioned HV 100 and 200 yard Group Match on May 1, 2016.**
